BCA	Rajiv Gandhi College of Computer Science & Management, Nanded	83.86%	2023
12th	Yeshwant Mahavidyalaya, Nanded	65.38%	2020
10th	Lal Bahadur Shastri Vidyalaya, Udgir	92.00%	2018

ACADEMIC PROJECTS

Book Store Website using HTML, CSS, BOOTSTRAP, PHP, MySQL

- Implemented advanced admin features including user management, book modification capabilities, and streamlined order place.
- This allows features like browsing categories, searching for books, adding items to a cart, and processing orders.

Student Club using HTML, CSS, JS

- Built a comprehensive website serving as a central hub of information, facilitating seamless access to essential resources, updates, and opportunities within our esteemed Student Club.
- Creating a student club website with HTML, CSS, and JavaScript offers a fantastic platform to showcase information and engage members.

Responsive Gym Website

- Designed and implemented a fully responsive and user-friendly gym website using HTML, CSS, and JavaScript, ensuring seamless navigation across devices.
- Incorporated interactive elements such as a class schedule and contact page, enhancing user engagement and experience.
